- MSSD Swimming
- Students Council Installation Day
- ICAS 2024
- HIPPO Award
- EdTech Learning
- Art Learning
- Learning Activities : Music, mathematics and Science.
- CCA : Futsal & Cheerleading

Dear Sri UCSI Kuala Lumpur Community,

As we approach the mid-year examinations in August, our students are diligently preparing to showcase their knowledge and skills. We encourage them to continue their hard work and dedication. In addition to academic pursuits, our students have been actively participating in the MSSD competitions this period. These events offer valuable experiences beyond the classroom, teaching important lessons in teamwork, sportsmanship, and resilience. While winning is often celebrated, we emphasize that the true value lies in the participation and the learning that comes from these experiences. We are proud of all our students who have competed and represented our school with pride and integrity.

We are also excited to share that our E-Sports Centre has been softly launched for our Secondary students. This initiative is part of our ongoing effort to integrate technology and modern skillsets into our curriculum, providing students with opportunities to explore the rapidly growing field of eSports and gaming.

As we approach the month of August, we are excited to celebrate Merdeka Month with a series of internal activities planned by our dedicated teachers. These activities will provide a wonderful opportunity for students to learn more about our nation's history and culture, fostering a sense of patriotism and unity.

Additionally, we are in the process of finalizing the plans for our upcoming Swimming Gala and Sports Day. These events offering students a chance to showcase their athletic abilities and engage in friendly competition. We will provide more information on these events in the coming weeks.

Lastly, a heartfelt thank you to all the parents who attended the recent Coffee Morning. Your participation and feedback are invaluable to us, and we look forward to more such opportunities to connect and collaborate with you.

I want to thank each and every one of you for your continued support and involvement in our school community. It is through our collective efforts that we can provide a nurturing and enriching environment for our students to learn and grow. As we navigate through the coming weeks, let us continue to work together to make this academic year a memorable and successful one.

WONG KIN TUNG
Principal, Sekolah Sri UCSI Kuala Lumpur

Dear Sri UCSI Kuala Lumpur Community,

I am pleased to share some exciting updates from the month of July. Our Student Council nomination process concluded successfully with an impressive turnout of enthusiastic candidates. I extend my heartfelt congratulations to all nominees for their courage and commitment to leadership. The installation of our newly elected council members was a resounding success, marking the beginning of an exciting chapter of student leadership at SSU KL. I look forward to witnessing the positive impact they will make in our school community.

Our students participated with enthusiasm in the ICAS 2024 Assessment, showcasing their academic prowess on an international platform. I commend each participant for their dedication and effort in representing SSU KL excellently. Let us eagerly anticipate the results and celebrate their achievements together.

As we prepared for the upcoming mid-year examinations, I observed our students' diligent efforts in their studies. Their commitment to academic excellence is commendable, and I encourage them to continue their focused preparation. With the support of our dedicated educators, I am confident they will perform admirably.

Looking ahead, let us maintain our momentum and commitment to nurturing a vibrant and supportive learning community at SSU KL. Thank you to our entire school community—students, parents, and staff for your ongoing dedication and contributions.

Harshana Rajagopal
Senior Assistant of Student Affairs

SEKOLAH SRI UCSI KUALA LUMPUR IS A

MALAYSIA FUTURE

LEADERS SCHOOL

Malaysia Future Leaders School (MFLS) programme aims to promote young people with potentials as strategic partners in developing the country by holding true to the Federal Constitution and the principles of Rukun Negara. Furthermore, it provides students with opportunities to participate in training and internship programmes in and outside the country, including the chance to undergo in-house training at Government-Linked Companies (GLCs). The MFLS programme is sponsored by the Ministry of Youth and Sports Malaysia, Ministry of Education Malaysia and Outward Bound Malaysia.
