Dear Sri UCSI Kuala Lumpur Community,

Welcome to the 2025/2026 academic session! I am delighted to welcome back our returning students and extend a warm greeting to those joining our school for the first time. As we step into this new academic year, I encourage each of you to embrace the journey ahead with enthusiasm, curiosity, and resilience.

Education is more than just acquiring knowledge—it is about developing the perseverance to overcome challenges, the courage to explore new opportunities, and the determination to strive for excellence. There will be moments of success and moments of struggle, but it is in these experiences that true growth happens. I urge all students to remain steadfast in their pursuit of knowledge, embrace challenges as opportunities for learning, and support one another as we progress together.

Our commitment to providing a holistic and future-focused education remains stronger than ever. With an exciting lineup of academic programs, co-curricular activities, and new learning experiences, I am confident that this will be another year of achievement and personal growth for our students. Our dedicated educators are here to guide and inspire you, and I encourage each of you to take full advantage of the opportunities available at our school.

Let's make this a year of perseverance, progress, and success. Stay curious, stay determined, and most importantly, believe in your potential to achieve great things.

Wishing everyone a fantastic start to the new academic session!

Dear Sri UCSI Kuala Lumpur Community,

As we begin the 2025/2026 academic session, I want to extend a warm welcome to each of you. This academic year offers a chance for growth, learning, and the pursuit of excellence, and I am confident that together, we will make it a memorable and successful journey.

Whether you are entering a new grade, exploring new subjects, or engaging in extracurricular activities, remember that each experience is an opportunity to develop your skills and broaden your horizons. Our school community is one built on support, collaboration, and respect, and I encourage you to take full advantage of the resources and guidance available to you.

I am here to ensure that you have everything you need to succeed academically and personally. My door is always open, and I am eager to help you navigate any challenges that come your way.
